Celebration! That's the mood of this year's graduating class. Senior president Allen Gross and many other hard working seniors pitched in to celebrate the school's 25th silver anniversary. Of course the anniversary was not the only thing these "Excelsiors" had to celebrate. What else you ask? How about a fantastic prom at the Universal Sheraton and a long awaited graduation day.

We've only just begun!" That's the theme this year's sophomore class seems to adopt as they grow in experience and leadership qualities. The class of 1990 has a great start as young Chancellors. This energetic and enthusiastic group look forward to their day in the sun as the future of C.H.S.

Good luck!

QUAKE BARELY AFFECTS C.H.S. STUDENTS, SCHOOL

by Rick Golden

An earthquake, later measured at 6.1 on the Richter Scale, struck Southern California at 7:42 a.m. on Thursday, October 2. The quake, whose epicenter was just south of Pasadena, was felt as far north as Lake Tahoe and as far west as Las Vegas.

At CHS, people and classrooms and buildings were evacuated into the quad. No injuries or damage were reported.

First period resumed, but an after-shock caused students to proceed to their emergency areas on the football

field for approximately one hour. Fortunately, CHS reported no structural damage and classes resumed.

High schools in the Burbank school system were dismissed early, sustaining damage such as cracked walls and falling light fixtures.

Upon interviewing students, some were scared but others took in stride. Some seniors even thought it was kind of cool.

Junior Morgan Fine said, "It really was no big deal because I didn't feel it. I don't know what all the fuss is

Surveillance police helicopter flies over Chatsworth to check for damages from the October 1 earthquake.

9 CHS TEAMS LEAGUE CHAMPS

This has been a highly successful year in sports for Chatsworth. The titles were lavished upon our deserving Chancellor teams throughout the year.

Nine Chatsworth teams earned league titles. The teams were as follows: Varsity, coached by Myron Gifford; Bee Football, coached by Richard Pendergast; J.V. Girls Volleyball, coached by Steve Berk; Varsity Soccer and J.V. Softball, both coached by Dick Doran; Varsity Softball coached by Gary Shair; Varsity Baseball coached by Bob Lofrano (which according to USA Today, is one of the Nation's top-ranked high school baseball teams, after they won the . . .) J.V. Baseball coached by Bob Davis, and Varsity Volley, coached by Steve Berk.

L.A. SUPERIOR COURT IS SETTING FOR MOCK TRIAL

Chatsworth's Mock Trial Team competed at the L.A. Superior County Courthouse this past November.

They were just one of forty teams throughout L.A. County that participated.

Chatsworth's team consisted of approximately 20 members and was coached by Social Studies teacher Dan Tuffree.

The team had to prepare both sides of the hypothetical case *People v. Friendly*.

Members of the prosecution team

were the attorneys Julie Bedigian, Jennifer Cass, Azin Shahrarindad, and witnesses Catty Kim, Pauline Le, Karen Raz, and Patricia Wang.

The defense consisted of attorneys Bill Kramer, Chad Lewin, and Jennifer Pinard. Andy Duran, Grace Park, Analie Rodriguez, Nina Vaca were the witnesses.

In previous years, CHS has repeatedly captured the L.A. County title and moved on to State Finals in Sacramento.

However, this year Chatsworth did not fare as well.

Next year's team is expected to do better because there will be more experience among the team members.

Also, it is "probable" that Mock Trial will become an actual class next year, resulting in a more prepared team.

Tuffree felt that it was a good experience for all involved because the members learned a lot about real trial procedure. It's not as glamorous as *TV* leads people to believe.

DECATHLON TEAM HONORED AT BONAVENTURE

By David Wang

The 7th Annual Academic Decathlon Awards Banquet was held on November 24, at the Bonaventure Hotel.

Representing CHS were Brenda Montoya, Jennie Perry, David Plotkin, Ed Walsh, David Wang and Dean Yager. Members of Chatsworth's alternate team included Scott Chapin, Heidi Hester and Annie Suh.

Medals were given to the top three individual scorers in each of the three grade categories, "Honors," "Scholastic," and "Varsity."

These medals were awarded in each of the ten events, as well as for the top three schools competing in each event.

Chatsworth took numerous awards during the two-hour long ceremony; they were presented by Linda Alvarez, KABC news anchorwoman.

In the alternate competition, Heidi Hester finished third in Social Science and third in both Economics and Fine Arts for the "Scholastic" group.

Annie Suh placed second in math, third in Social Science and third

overall for the "Honors" group.

Among the regular team members, David Plotkin won a silver medal for Speech in the "Honors" group, Ed Walsh won a bronze for Essay in the "Varsity" group, while Jennie Perry and David Wang won bronze medals for Language/Literature in the "Scholastic" and "Honors" groups respectively.

As a team, Chatsworth received third place in Language/Literature. Overall, CHS finished in ninth place out of the 53 competing L.A. U.S.D. schools.

FALL DRAMA FESTIVAL CHS WINS SECOND

by Alisa Getlin

On Saturday morning, October 24, approximately 35 students from Chatsworth's Play Production class nervously prepared themselves for the 45th Annual Fall Drama Festival

The festival took place at Polytechnic High School in Sun Valley at 8:00 a.m. and lasted until 7:00 p.m.

Chatsworth competed in seven different categories against more than fifty schools from the Los Angeles Unified School District

The categories were a two-person scene, Anything Goes, Group Humorous, Group Serious, Humorous and Serious Monologues, and Pantomime. Chatsworth received honors in five of these categories.

The two-person scene was "The Miracle Worker" performed by Kyle Silbernagel and Lisa Tobias. Doug Lieblein, an alumnus of Chatsworth, directed this scene, which took a third place.

Pam Fiber was the assistant director.

Mark Greenberg, another CHS alumnus, directed the Anything Goes category with Elizabeth Druyun. This scene took a satirical look at politics and nuclear arms control

The cast included Becky Butala, Emerson Chevez, Collene Frashure, Rachel Gallagher, Melissa Kievman, Jeff Koch, Chad Lewin and Matthew Aaron Stern.

Lieblein also directed the third place scene "Sweeney Todd for Group Serious. The actors were Sarah Bernson, Albert Dayan, Zac Hughes, Jenni Peskin, Heather Steil and Eric Wallace

STAYING ALIVE SADD STRENGTHENS ASSAULT

by Rick Golden

"I saw a very graphic accident in which a drunk was decapitated after running into the trailer of a semi," replied Senior Ken Ferguson while talking about SADD's new Staying Alive Program. This is exactly what the program is designed to prevent.

In March, Jeff Glaser and Karen Greene initiated the Staying Alive Program that was enacted through Northridge Hospital

The program was not designed to discipline students or to tell them not to drink. It was set on the sole purpose of educating students of the dangers and consequences of driving drunk

Staying Alive involves six pairs of students who had prepared for the program's two day agenda for two full weeks.

These students went to various CHS classrooms during these two days where they had top representation, showing a video and giving statistics about the frightening number of teenage drunk driving fatalities.

Important instructions on how students can avoid dealing with a person under the influence of alcohol given. Students also learned how to help their friends by keeping them from driving drunk

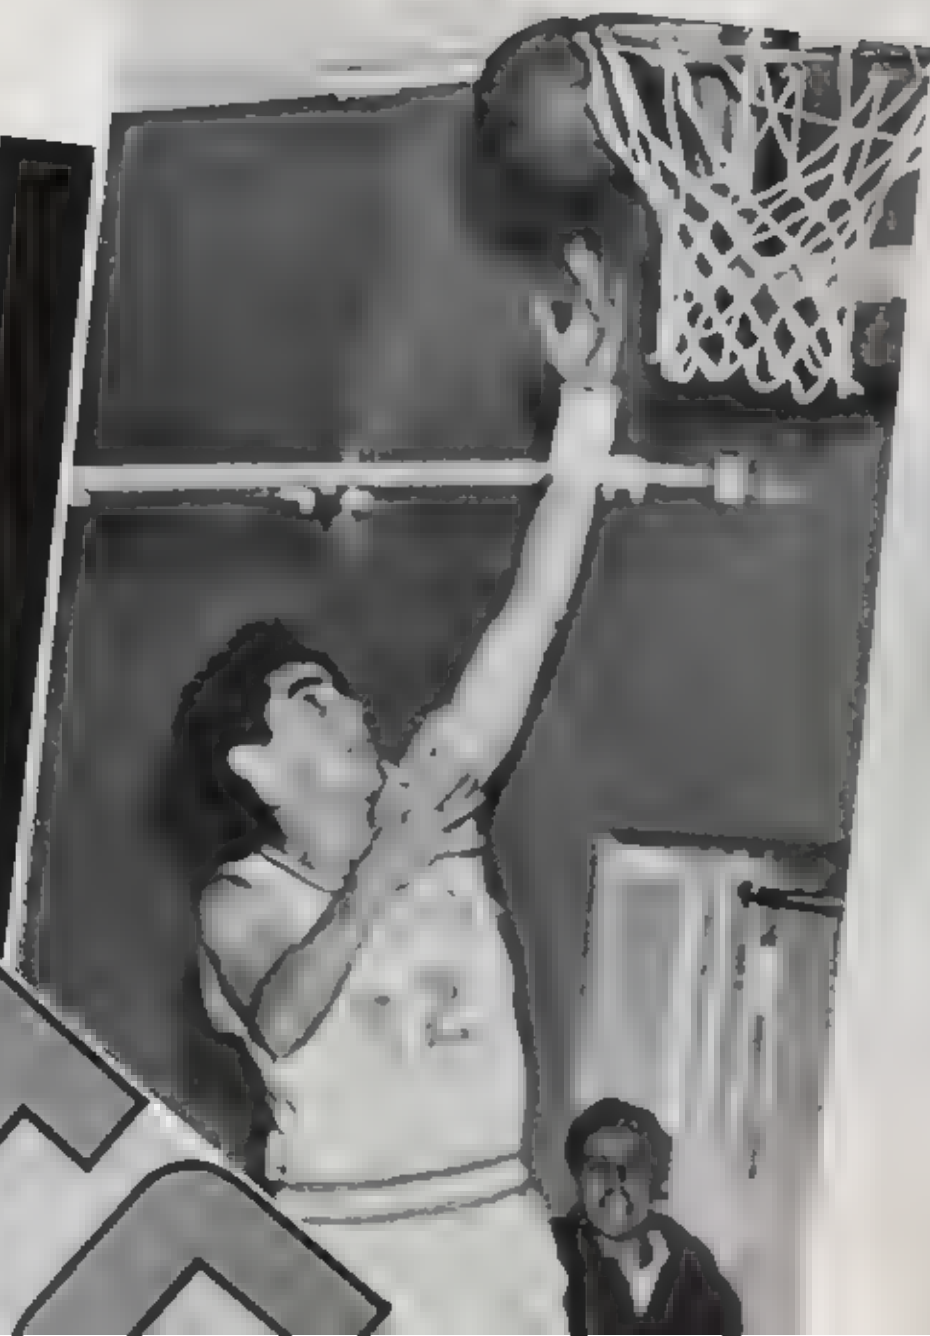

Kim Michelman, Secretary of SADD said, "The main goal of SADD is not to preach to students, because it's their choice to drink, but it's our purpose to inform them about the seriousness about driving drunk, and the danger it imposes upon society

STANDOUT CHANCELLORS HONORED

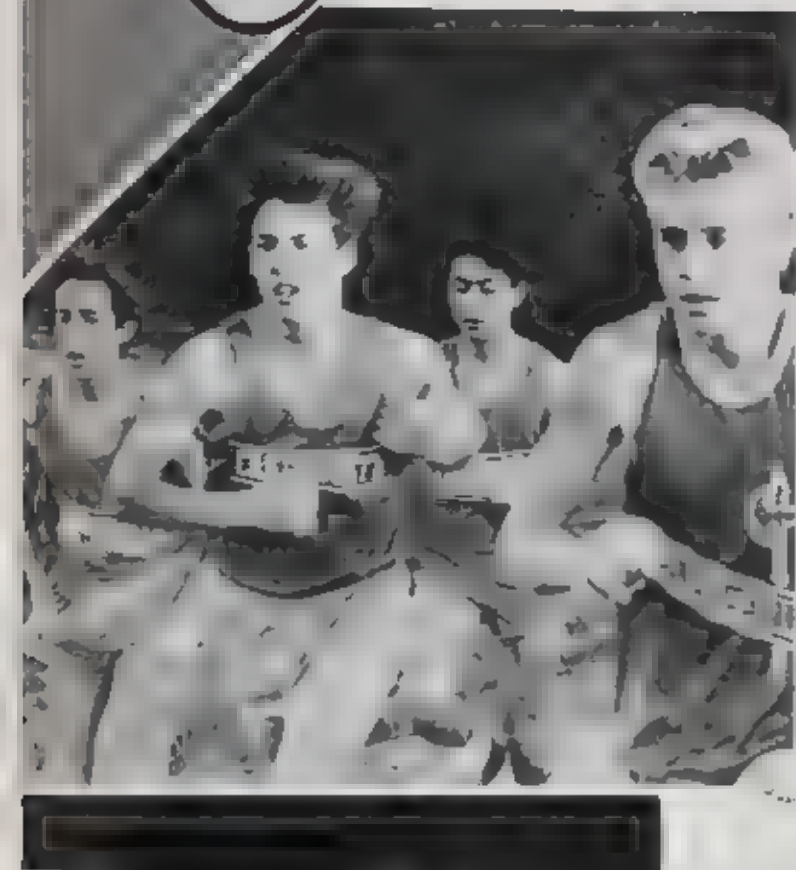

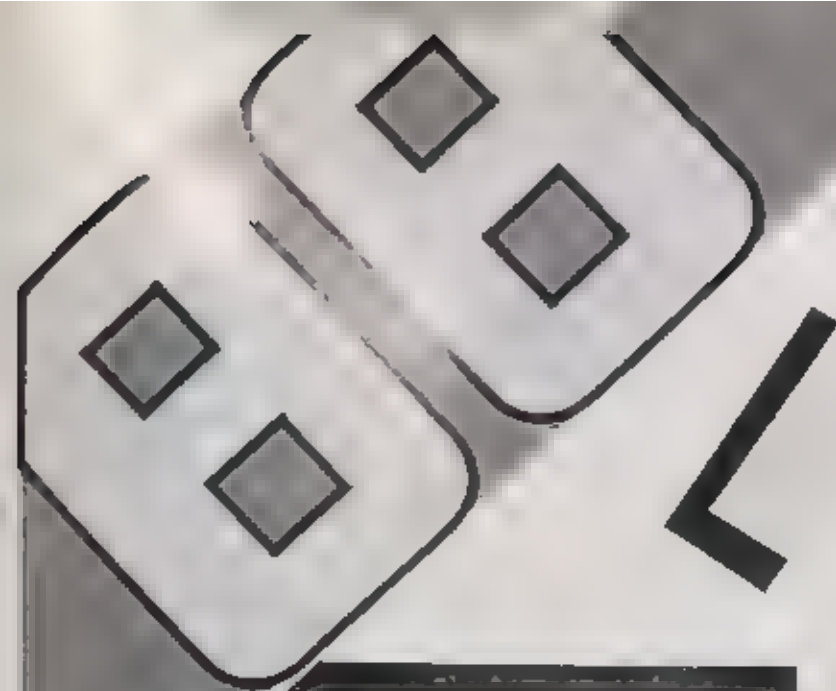

Comprised of citizens who graduated from Los Angeles area high schools, the Ephebian society is a service organization for civic betterment. Each year a group of candidates are selected by faculty members and Senior Classes of their high schools. The society's main purpose is to focus attention of the outstanding graduates upon matter of civic and community leadership, service, and betterment; and inform and encourage the membership to active participation along these lines. The Ephebians are required to have a 3.0 or higher G.P.A. and a school record and/or community service. All Ephebians are required to attend the Induction Ceremony where they are to take the Ephebic Oath and pledge their community.

My greatest sports moment was when we played Cleveland. We were down by three points in the last minute of the game. Then I stole the ball and passed it to my teammate who made the basket, and we won the game. Basketball has been a goal for me. It kept me in line academically and physically.

My most Memorable moment thus far occurred last year as a junior in the semi-playoff game vs. Palisades High. It was a tough match, but we took the first two games easy. Then, Pali came back and took the next two. The last game was a real battle. We were tied at 14, and then we got the ball back. We served a point, and then served again. The crowd was going crazy, and everyone was on their feet. Pali passed the ball, and hit it out of bounds. Everyone ran on the court. It was the greatest feeling ever.

I have been Fortunate to have many great athletic moments. For me as an individual, the greatest athletic moment was to be the time I was twice able to drive in the winning runs in the last innings against Reseda High School. Athletics have given me the goals and aspirations to shoot farther in my determination to succeed. It's definitely been the one thing that has shaped and formed my personality along with my lifestyle.

I planned on playing softball in high school. I'd never really liked the sport, but both the volleyball coaches, Lofrano and Berk, thought it would be a good idea to join the team. I joined and found that I really enjoyed the sport. I think sports has shaped my life by helping me cope with school. I would actually look forward to were coming, but just to play volleyball. It got to the point where I liked some of my classes and actually wanted to learn things. Sports also gave me something to strive for and taught me that winning isn't everything, but it means a lot.

When I was young my dad and I used to go to the park and play different sports. One time we started throwing the ball around and hit it to each other in a fun sort of way after that I started to succeed in many sports. Soon it became a challenge to see how far I could go in sports. After practicing all the time I guess I just adopted sports. Playing sports also has given me a sense of responsibility.

I chose football because I love the contact, for it's a game of strength and speed and I know I have both of these talents. I like Basketball and Track for they help me stay in shape. My greatest athletic moment was last year when our football team played Canoga Park High. They had scored and kicked the ball off to us. I then returned the kick off back for a 91 yd. touchdown, it proved to be the winning score. I was so excited and I didn't think that it would end up being the winning touch down. After I graduate from Chatsworth I would like to play Pro Football.

The Prime of Miss Jean Brodie by Jay Presson Allen

Emotionally charged by the outstanding performances of the lead actors, The Prime Of Miss Jean Brodie was presented at Chatsworth in December of 1987.

It was the story of a Scottish school teacher in the 1930's and her questionable influence on her students.

The play was a rousing success and was chosen to be presented in January at Cal State University Fullerton as part of the annual High School Theatre Festival. Our production won first place in LA County out of 50 schools!

A CHORUS LINE

Book by
James Kirkwood
&
Nicholas Dante

A CHORUS LINE has the distinction of being the longest running musical in Broadway history. It has been playing continuously at the Shubert Theater in New York since it opened, back in 1975.

This production is the original version of the play - this is how it was intended to be done - this is how it has been done for thirteen years, and almost 6000 times: a group of restless young animals, spread out in attitudes of graceful anxiety along the fateful white line painted across the stage. These are the stories of real people taken in part from twenty-five real chorus members who gathered together with a tape recorder in 1974, to talk about their lives. This is the play that the late Michael Bennet conceived and choreographed - the show that has aroused one of the most intense emotional responses in American musical theater - This is A CHORUS LINE!

*"Kiss today goodbye,
The sweetness and
the sorrow.
Wish me luck, the
same to you-
But I can't regret,
What I did for love."*

After twenty years at Chatsworth High School, this is my final show. I have directed and produced almost 50 major plays and musicals here, but now it's time to move on. Starting in August, my wife and I will be teaching at an American school in the Orient for two years. We're excited about this new act in our careers, and sad to see the show close at Chatsworth.

It's difficult to say goodbye when you've worked in such a supportive school and community. I've been able to do most of my favorite shows because of that support. Everything from Shakespeare to Great Theater is a collaborative art. Nothing I've done here would have been possible without the talent and dedication of the thousands of people. I thank all of them, and of you - our audience

Happy 25th Birthday Chatsworth High! It has changed from a patch of earth that 25 years ago was surrounded by farms and ranches to a bustling High school in a highly developed rural community. The scene has since changed drastically, but the Chatsworth area has kept some of it's old western charm and Chatsworth High School has grown to a highly rated educational institution.

This year in
entertainment the
emphasis was definitely
on being "Bad", but the
'Fatal Attraction' of
'Faith' won over in the
end. The "Colors" of
L.A. were 'Nothing Like

the "Lady in Red" just
come 'Out of the

went through the
'Tunnel of Love' and it
seemed like 'Heaven

the 'Devil Inside.'
Without a doubt, "We

The Cosby Show
suffered 'Growing
Pains', since "It's
a Different World",
and David and
Maddie at last
came together
(maybe). On the
'Far Side' the
'California
Raisins' danced as
'Spuds' drank his
brew.

While watching the
'Broadcast News' Presi-
dent Reagan was 'Moon
struck' to discover that
there was a presidential
election without him. But
he was still filled with
Hope and Glory that
he would be the Last
Emperor. Meanwhile,
only in our Corona
Beach Club shirts we
watched Spuds and Thee
California Raisins dance
and sing their way into
our hearts.

WHY ARE WE HERE

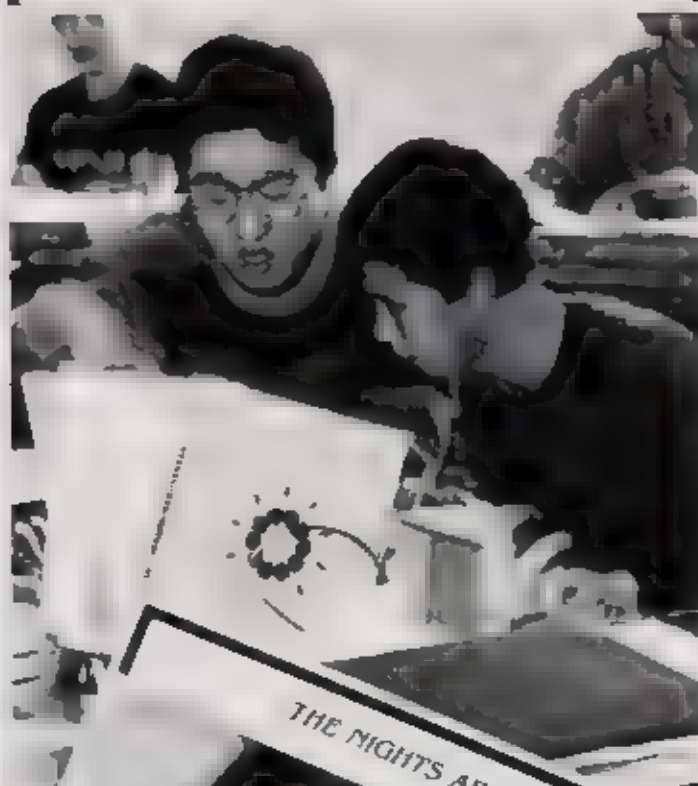

One thing that many Chancellors miss-out on is the school's wonderful tardy policy at work. Imagine spending your entire lunch time in the company of faculty members doing your homework. (ha, ha) As each day goes by, those who miss out on the fun, have another day of "pleasure" added. For those of you interested, see the teacher at Oral Arts, Lunchtime, closed Saturdays, Sundays and major holidays.

STRUTTING HER STUFF!!

WHEN ALL ELSE FAILS-STUDY

THE NIGHTS ARE TOO SHORT!

On the serious side, last year's "hero" Ollie North was indicted. Gorbachow charmed Washington, and Andy and Fergie captured L.A. Our troops marched off to war in Honduras and images of Vietnam reappeared. Ireland was still at war with itself. As we reached the summer of '88, we wished for peace, prosperity, and a presidential candidate that's worth voting for.

PERSONALITY PLATE

TODAYS TRENDS TOMORROW'S??

Paris has its fashions, and so does Chatsworth. Chancellors are very particular in the way we dress, and this year was no exception. Earlier this year we were greeted with the smell of leather, from the many bomber jackets Chancellors wore. As it grew warmer, the world went horizontal. Stripes replaced those Awful noka-dots of the early eighties.

Teenagers spend 14 billion annually, the bulk of that on clothes. As in every other year, color was important just now with more sophisticated names like "sea-foam green" and "peach". Longer hair had its return, which also applied to the guys. Having new clothes was good enough. They had to be "stonewash" to give that worn look. We bleached our Denim jackets and jeans, and some of us even wore them at the knees. The

*Sometimes in our lives
We all have pains
We all have sorrows
But, If you are wise
We know that there's always
tomorrow*

*Lean on me
When your not strong
I'll be your friend
I'll help you carry on*
